***We are not responsible for a well done steak - Beef Blasphemy!
We recommend medium-rare or medium.***

With its omnipotent wisdom, our government requires that restaurants print their menus with the following shocking information:

***"Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness, especially if you have certain medical conditions."**

Also be warned that poking yourself in the eye with a fork may impair your vision and drinking steaming hot liquids could burn your tongue.

Some items on this menu contain nuts or gluten. Please notify your server of any food allergies.
