

Taste of Richland & Market 2020 is cancelled

Due to the worldwide health crises and concern about the spread of the COVID-19 virus, we regret to announce that this event for 2020 has been cancelled. The Taste had been scheduled for April 26.

It's unfortunate, but the health and well being of our vendors, volunteers, guests and staff is our number one priority. Given the current situation, due to the nature of the event, there is no other option but to skip this year's Taste.

If you purchased tickets online or in store, you will be refunded. Please watch for more information here and on our social media pages.
