

Fountain City Teen Poetry Slam—December 3, 2016 at 4:00pm

Get Ready For Our First Poetry Slam Of The Season!

I have had the pleasure of working with some pretty talented teens this semester! They are tackling a number of pertinent issues through their creative writing. I'm amazed as each has discovered a unique way to use their voice to affect positive change in their community. They all have worked hard.

Come out and witness the top 12 qualifiers from this semester, as they share their work for a chance to make the 2017 FC Teen Poetry Slam! This year's team will be traveling to San Francisco this summer to compete in the Brave New Voices Festival. The Top 5 finishers at this semifinals bout will advance to our finals in April! We have students representing G.W. Carver High School, Shaw High School, Kendrick High School, Brookstone, Northside High School, and Early College Academy! You don't want to miss this amazing show of young talent!
