Historic Columbus' 8th annual Preservation for Profit Workshop August 18 – 19, 2016

Preservation for Profit is an opportunity for Realtors, architects, engineers, builders, developers, preservationists, and interested citizens. This year Historic Columbus, in conjunction with sponsors The Knight Foundation Fund at the Community Foundation, the Incremental Development Alliance, Jackson-Burgin, the Coalition for Sound Growth, and MidTown, are bringing six speakers to discuss – ***The BIG Deal of Small Development***.

Thursday evening will open with Monte Anderson and a cocktail reception.

Friday will feature a half-day workshop with a variety of speakers.

Both events will be held at CB&T's Blanchard Hall (1148 Broadway).

The featured speaker for Friday is **Joe Minicozzi**, principal at Urban3. Mr. Minicozzi will be presenting on the *Smart Math: Productive Community Investments*. Communities across the United States are going broke, and we can rightly look to our municipal finance systems and our failure to fully appreciate the payoff for density as a big part of the cause. Let's all do the math so we can make some positive changes in the system because, in the end, downtown pays.

Preservation for Profit Schedule

Thursday, August 18th

5:30pm - 7:00pm
